Aim High 5 Worksheets - Teacher Worksheets

Aim High is a six-level course that develops language learning through carefully chosen vocabulary (including words from the Oxford 3000™), texts which are interesting, and essential study skills. The Classroom Presentation Tool brings easy-to-use digital features to the front of the classroom for heads-up lessons and the Online Practice (available at levels 1 - 5) provides extra homework activities that can be automatically marked and that teachers can track.

Aim High | Teenagers | Oxford University Press

Since the new GCSE does not lend itself so well to allocating topics to grades due to the problem solving and reasoning elements, I have estimated where topics fall within two grades. Therefore, Aiming for Grade 1 includes KS3 and grade 1 content, Aiming for Grade 3 includes content I have estimated to be grades 2 or 3, and so on.
