Survivors of domestic abuse and their children will receive greater protections after the government today (25 June 2020) announced an overhaul of how the family courts deal with the horrific crime.

Major overhaul of family courts to protect domestic abuse ...
The phrase 'domestic violence' is usually taken to mean unlawful violence used or threatened by one spouse or cohabitant against the other. The perpetrator is usually the male partner, and pronouns are used in this chapter on that assumption, but cases of violence by the female against the male are by no means unknown.

Domestic Violence | Family Law Study Area | Law Teacher
The Domestic Violence Act, 1998 (Act 116 of 1998) was enacted with the main purpose to afford the victims of domestic violence maximum protection from domestic abuse that the law can provide. Any person who is a victim of an act of domestic violence may apply to a court for a protection order.
