Pectoral Implants and Chest Reconstruction ... - Stanton

Dr Stanton was good, but this just perfected the storyline. I'm sure if you have been lucky enough to have read her books, you know how talented she is and won't pass this read up. BUT if you are new to her writing, and want to check her books out, I highly suggest reading these two books together, along with the first four books in the series, as this is a spin off duo.
