In his discussion of intimacy, he emphasizes the importance of: loving and accepting yourself before you can be loved and accepted by others; abandoning the mind and the dead past; living in this moment authentically; celebrating your own uniqueness; and trusting in yourself. In achieving true intimacy with another and revealing yourself wi

Ultimately, the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed, even if that trust is betrayed, we will not suffer any permanent damage. In this gentle and compassionate guide, Osho takes his readers step-by-step through what makes people afraid of intimacy, how to encounter those fears and go beyond them, and what they can do to nourish themselves and their relationships to support more openness and trust. OSHO ...

TRUST YOURSELF Trust is possible only if first you trust in yourself. The most fundamental thing has to happen within you first. If you trust in yourself, you can trust in me, you can trust in people, you can trust in existence. But if you don’t trust in yourself, then no other trust is ever possible. And society destroys trust at the very roots.

Far more important is a willingness to expose our deepest feelings and vulnerabilities, with the trust that the other person will treat them with care. Ultimately, the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed, even if that trust is betrayed, we will not suffer any permanent damage.
