Just-Right Glyphs for Young Learners: 15 Fun Activities ...

Introduce young learners to data collection with these engaging glyph activities that connect to year-round themes and concepts! As kids create and compare pictures that convey information about themselves, they'll build important math skills, including representing, analyzing, and interpreting data, communicating findings, and making meaningful connections to the information they collect ...

Just-Right Glyphs For Young Learners - Scholastic Shop

for kindergarten and first-grade students, but Just-Right Glyphs for Young Learners makes it easy! For example, children who use the sun-shaped eraser on their Back-to-School Pencil glyph are showing that painting is their favorite school activity, while children who use the apple-shaped eraser are communicating that they prefer block building.

for Young Learners

The glyphs are presented season by season, beginning with fall, but you can do the activities in any order, or pick and choose those particularly relevant to your curriculum. (For instance, you'll find a ladybug glyph in the summer section, but you might use it during an insect theme in spring.)
