Lotus in the Fire proves the benefits of spiritual practice as supportive tool and a key to healing. ~Frederic A. Brusat, Spirituality & Health "[Bedard's) riveting, taut, and very moving survivor's story will appeal to readers of all faiths. A wake-up call to live life to the fullest, told with modest understatement and no New Age jargon, his book will inspire patients and their families coping with illnesses, as well as anyone coming to terms with death."--

**Lotus in the Fire by Jim Bedard - Goodreads**

Lotus in the Fire. In 1995, Jim Bedard, a martial artist and Zen student, was diagnosed with acute myeloid leukemia and given ten days to live. This is the story of how he used his spiritual strength to bring himself into full contact with a death sentence as well as with painful medical treatment, including chemotherapy and a bone marrow transplant.

The Lotus in the Fire We live in times of danger and uprising. Buddhist principles and practices are a rich source of insight, transformation, perspective and peace. What is compassionate action in the midst of injustice, brutality, and ignorance?

**The Lotus in the Fire - A podcast on Anchor**

The lotus grows from recycled refuse. We use all of what we experience—from despair to anger, from grief to love—to transform anguish and protect all beings. Join me, Joseph Bobrow, for lively, in-depth, personal conversations, as we realize the lotus in the midst of a world on fire.
