Enrollment is the art and practice of generating a spark of possibility for others to share. The practice of enrollment is about giving yourself as a possibility to others and being ready, in turn, to catch their spark. It is about playing together as partners in a field of light. And the steps to the practice are:

~~Book notes: The Art of Possibility | Andrew Skotzko~~

Mastering The Art of Possibility. Your perspectives shape your possibilities. To reconstruct how you perceive the world, you must first be willing to challenge your beliefs and assumptions, and to keep applying these 12 practices until the new ways of thinking and behaving become intuitive to you. 1.

~~Book Summary - The Art of Possibility: Transforming ...~~

Here are brief descriptions of 12 lessons from The Art of Possibility: 1. It's all invented. When you're looking at a problem, all the assumptions you make about it are in your mind. The Zanders remind us that a problem is not simply a half-story you tell yourself, but rather something you make up entirely.
