The Journal of Dora Damage is a wonderful book about a woman who takes over her husband's book binding business and falls into a job binding pornography for a secret society of London's upper crust. Dora finds herself on an intellectual and sexual journey that awakes her senses and puts her entire family in danger.

**The Journal of Dora Damage by Belinda Starling**  
The Journal of Dora Damage whips up a vision of London when it was the largest city in the world, grappling with the filth produced by a swollen population. Against a backdrop of power and politics, work and idleness, conservatism and abolitionism, Belinda Starling explores the restrictions of gender, class and race, the ties of family and love, and the price of freedom in this wholly engrossing debut novel.

About The Journal of Dora Damage. London, 1859. By the time Dora Damage discovers that her husband Peter has arthritis in his hands, it is too late - their book-binding business is in huge debt and the family is on the brink of entering the poorhouse. But Dora proves that she is more than just a housewife and mother.

**The Journal of Dora Damage: Belinda Starling: Bloomsbury** ...

The Journal of Dora Damage. by Belinda Starling. 3.65 avg. rating - 664 Ratings. In the tradition of Sarah Waters, a rich, sweeping historical novel set in Victorian London, about a bookbinder's wife who, to save her family, must take over her husband's business.

**Books similar to The Journal of Dora Damage**

Belinda Starling's novel "The Journal Of Dora Damage" is set in London in the mid nineteenth century. People born at this time might live to see motorcars or even aeroplanes and possibly an improving social conscience, but those living in London during the time the novel is set could expect the workhouse, starvation or death to be just around the corner if their circumstances changed for the worse.

**Journal of Dora Damage | Fiction | The Guardian**

'The Journal of Dora Damage' is one of the best books I've read in years! It is erudite in its factual underpinning, and I suppose that some might judge it as unnecessarily so, but for those who value a thorough understanding of the role of context in descriptions of the human drama will be drawn into the unfeeling violence of its period.
